Thanking You,

Yours faithfully,  
For National Plastics Technologies Limited

  
Abishek S  
Company Secretary  
A23535

## Fortis Malar performs angioplasty, followed by implantation of pacemaker on 95-year-old

Chennai, May, 31: A 95-year-old man who suffered an acute heart-attack, successfully underwent angioplasty and stenting followed by the implantation of a leadless pacemaker at Fortis Malar Hospital. The patient was presented at Fortis Malar with chest discomfort, hypertension, shortness of breath and left-shoulder pain for several hours. The patient's heart rate and blood pressure had variations during evaluation in the emergency room.

Expert team of doctors headed by Dr. Sanjiv Agarwal, Director & Senior Consultant, Interventional Cardiologist at Fortis Malar identified that, "The patient had ST elevation (in ECG) in

the anterior leads and his echocardiogram showed dysfunction of the left ventricle due to heart attack and there was corroborating evidence from the blood test".

The patient's prognosis was shared with the family and immediate medical intervention was provided by administration of blood thinners and clot busting drugs to stabilize the vital parameters before the patient was admitted in ICU. However, patient continued to have chest discomfort and ST elevation in ECG. So, the patient was then taken up for a Coronary Angiography. The angiogram revealed the blood vessel responsible for the heart attack still had very critical blockage and the additional blockage in one more blood vessel. So, the patient was treated with angioplasty implanting two stents in the left anterior descending artery as a lifesaving procedure. The blood vessels were severely calcified making the procedure challenging. Two days later, the patient developed Bradycardia (Slow heartbeat), along with low blood pressure. This necessitated the implantation of a pacemaker in the patient. According to Dr. Agarwal, "The patient had developed Bradycardia (Slow heartbeat), which is a known complication of heart attack and there was also drop in BP. This necessitated pacemaker implantation without which the patient would have had significant morbidity. In view of ongoing blood thinners and old age, decision was taken to put a leadless pacemaker. Hence, the situation was explained to the patient's attendant, and they consented for implantation of a leadless permanent pacemaker."

## Mahindra & Mahindra reports five-fold rise in profit at Rs. 1,192 cr

Chennai, May 31: Mahindra & Mahindra reported a nearly five-fold jump in standalone profit at Rs 1,192 crore for quarter ended March 31, 2022.

The company had posted a profit of Rs 245 crore for the year-ago period, it said in a statement. Revenue grew 28 per cent to Rs 17,124 crore in the period under review as compared with Rs 13,356 crore in March quarter 2020-21, it said. In full fiscal year 2021-22, the company logged a standalone profit of Rs 4,935 crore, a multi-fold growth from Rs 984 crore in fiscal year ended March 31, 2021.

M&M said it achieved the highest ever standalone revenue for auto and farm segments at Rs 55,300 crore for FY22, which is 29 per cent higher than previous year's. It also said the company's auto business delivered highest ever quarterly UV (utility vehicle) volumes in Q4 with 42 per cent year-on-year growth while Farm Equipment Sector (FES) tractors market share for FY22 stood at 40 per cent, a growth of 1.8 per cent Yo-Y.

## Nava Jeevan Trust urges focused campaign to control tobacco use

Chennai, May 31: The two-day meet on capacity building training for coalition partners on tobacco control which opened here on Monday called for focused campaigns to support the legislation called Cigarettes and Other Tobacco Products Act 2003 (COTPA) and its effective implementation with the help of the Prime Minister, Health Minister and a large number of MPs.

The meet is being organised by Nava Jeevan Trust, an NGO that works for the development of disadvantaged women and children engaged in beedi rolling units in Tirunelveli and its surrounding regions. Setting the context, R S Bharathi, MP, lauded the Rotary movement for creating all types

of awareness in the eradication of tobacco use among the public. He wanted the society to take the message of tobacco control seriously and follow it religiously. Ranjit Singh, a lawyer practising in Supreme Court, said that Tamil Nadu is in the forefront in terms of implementing the legislation concerning the use of cigarettes and other tobacco products through the COTPA Amendment Bill, 2020.

Another MP T K S Elangovan wanted the activists and others to go to schools and target the young students with the message on the ill effects of smoking and consuming gutka and other banned tobacco products. He promised to do his best to take the message of tobacco ban to his fellow MPs in both

houses of Parliament. Dr Arvind Krishna munta of Cancer Institute, Adyar, Chennai, spoke at length on how tobacco could cause mouth and lung cancer and other life-threatening diseases in the long run.

The indiscriminate use of cigarettes and gutka products is being encouraged in some of the north eastern states like Manipur, Nagaland and Mizoram, to name a few, he said. Dr V Kalanidhi, MP, said over five crore people are working in the tobacco industry and if the ban is applied, all of them will lose their jobs and rehabilitation of them is going to be the main task of the government. This can happen only with the provision of some other alternative occupation to all of them, he added.
