This results in savings of Rs. 34 per unit for the seller. These fee reductions apply across a wide range of product segments, such

in supporting businesses of all sizes, from small and medium businesses to emerging entrepreneurs to established brands. The fee reduction is directly in response to feedback from our sellers, especially small businesses. With this, we're taking a significant step towards creating a more seller-friendly ecosystem," said Amit Nanda, Director, Selling Partner Services, Amazon India.
