Sir,

- Sub : Clarification on Licensing under FSS Act 2006 - Reg
- Ref : Your email letter dated 08-07-2015

In reference to your email with the request for clarification on issue of License under FSS Act for Plastic PET Preforms, you are hereby informed that Only Food items intended for human consumption, as defined under the Food Safety and Standards Act 2006 (section 3 (1)(j) of FSS Act) are required to be brought under the Licensing. Since Plastic PET Preforms are not Food items, this products do not require License under FSS Act 2006.

It is also to be mentioned that Packaging material of any Food Item shall be fulfilling the Indian standards Specifications and also be of Food Grade quality as per the Food Safety and Standards (Packaging and Labeling) Regulations 2011. The details are available in website of FSSAI.

Yours faithfully

(Dr. M. Kannan)
